

Chapter ★ 3

Equivalent to professionals, they are also given secret missions.

Among the students, some possess the elite status of rank A.

Yurikori Girls School is a school where the descendants of Minus attend.

THEY ARE FURNISHED  
WITH GETTING RASH  
WATER FROM THE  
SECRET HOT SPRINGS  
LOCATED DEEP IN THE  
MOUNTAINS!!

They have been making continuously for half a day.

YOU GUYS WERE  
JUST KIDDING  
ABOUT THE  
HOT SPRINGS.

And  
Mamoru  
went to an  
attended school for  
noble old  
training...

And how  
soon  
dispatched  
as a member of  
the secret  
intelligence  
team...

GASP

Fun? Don't  
tell me  
you're a  
Masochist?!

But? What  
are you  
screaming?

Argh,  
whatever!

NO! I'm  
not a Mas-  
ochist!

He  
he  
he

After  
a  
few hours...

Let me  
stop...

Anyway, the  
hot springs  
wer't that bad.  
But if you're  
continuing, I  
won't stop  
you.

What? I'm  
getting  
into the  
hot springs  
of course.

But...

If you work  
in the hot  
springs, it'll  
wash away  
your sins  
and bring you  
closer to the  
true journey.

At night,  
the  
entire  
forest

Ah...

It's not  
every day  
that you  
get a  
chance  
like that

Yeah...

Man,  
you're so  
serious  
all the  
time!

It's okay  
to let  
loose at  
times  
like this.

COME TO THINK OF  
IT, THIS IS  
THE FIRST  
TIME THEY  
I'VE BEEN

I was lucky  
not to get  
a nose  
bleed!

Yes, just  
stretching.

That was  
just stretching  
too."

Notes: The girl asked when they had to stop for a while long to help a nose bleed happened to you when I got a nose bleed. (I'm going out too)

What are  
you saying?  
Obviously  
there are  
others!

Sounding?

!! Honestly  
when it  
comes to  
others, we  
have a better  
deal.

*There's no  
real supply*

It's  
about  
that we  
are safe.

Yeah

DOING SUCH A  
THING TO MY  
PARTNER...

BUT I COULDN'T  
STOP MYSELF...

You ordered food!

That's because you were in for a swim.

We haven't swam the hot water yet!

What?

Ah—

Stranged?

Yes?

Hey,  
Mamochi!

Yes  
Stranged.

Saya

Saya

Herton  
and Flame  
seem a  
little  
stranged  
 lately

They're both  
glaring at  
each other  
intentionally.

I wonder what  
happened  
during the  
recent secret  
mission...
